Act 1 - Policy Subcommittee Report

Charge: To create and propose a plan to be considered by the rest of the working group. The plan will include how the working group will approach the task of reviewing the state board and school district policies to make recommendations to the legislature and state board
Chelsea Meyers gave a summary of their meeting but requested additional time to meet to be able to present a more robust proposal.

Members will wait until Next meeting on December 15th.

Standards and Report Sub-Committee (EQS)

Working group members reviewed the EQS revised document and went over some of the sections. The sections discussed will be edited and a new document will be sent for review. Working group members will review the updated document and send comments prior to the December 15th vote.

Survey updates

The survey will be finalized and will be voted in by a special meeting prior to December 15th. Then, the crowdsource will begin. The student and caregiver survey will be prepared by the respective subcommittees once the educator one is finalized

Stipends

Members of the working group are encouraged to send their stipend forms. The working group is unable to add additional members to the working group without being mandated in the law.
