Item: Policy N15 Proposed Revision

ITEM: Shall the VSBPE approve the following proposed revision to Policy N15?

AGENCY RECOMMENDED ACTION:

That the VSBPE approve the following proposed revision to Policy N15.

BACKGROUND:

As part of the submission of the Annual Reports, it was found there was some confusion among the approved educator preparation programs regarding the different delivery models. The ROPA Coordinator surveyed all programs that have approval to recommend in an endorsement at both the Postbac and Graduate levels to seek clarity, and it was found that there is little difference in the program requirements between the two. In reviewing Policy N15 to determine if additional clarification was needed, the Office overall believes the Policy is clear but could benefit from a few small edits, which are proposed below in red.

POLICY N15

and seek initial licensure **or an additional endorsement**. Candidates may go on to complete a master's degree, but this is not a requirement for licensure recommendation.

- ~~Master's~~ **Graduate**- Designed for candidates who have an undergraduate degree and are seeking a recommendation for either an initial license or ~~a second~~ **an additional endorsement** in conjunction with a master's degree.
