

Revision of the Relicensure Handbook *Relicensing Process for Vermont Educators*

ITEM: Shall the VSBPE adopt the revised Relicensure Handbook – *Relicensing Process for Vermont Educators*?

AGENCY RECOMMENDED ACTION: That the Vermont Standards Board for Professional Educators review and adopt the revised draft of the Relicensure Handbook - *Relicensure Process for Vermont Educators*. Said Handbook should be used by all educators renewing/reinstating endorsements as a resource tool for relicensure.

BACKGROUND: The VSBPE should review and adopt the revised Relicensure Handbook – *Relicensing Process for Vermont Educators* to reflect Rules changes and changes in procedures. This document was last revised in the November 2018.

RATIONALE:

- To reflect changes in VSBPE membership
- To reflect changes to the AOE staffing
- To remove language reading the Progressions and Self-Assessments as they no longer part of the relicensing process
- To include the Rule 5435 regarding reinstatements
- To reflect the end of the seven-year Level II License renewals
- To include the language around Policy F1 – Recency of Study
- To include language for seven-year license reinstatements
- To include clarification on transitions
