Statewide License Grant program

IP Address - School Request Form

Thank you for requesting a SketchUp Pro license through the Statewide License Grant program. In order to authorize your state's license, your grant administrator will need to add your school/district's IP address to a list of approved sites.

The SketchUp Pro license portal requires an IP Address in either IPv4, IPv6 or CIDR Format:

Format	IP Address
IPv4	
IPv6	
CIDR Block	

**IP address ranges can be converted to CIDR format using this free tool:
