**Item: NVU-Johnson ROPA Review Changes**

**ITEM:** Notifying the VSBPE of the change to the NVU-Johnson ROPA review

**AGENCY RECOMMENDED ACTION:**

**No action is needed.**

NVU-Johnson was scheduled for its full ROPA review in April of 2020. That review was postponed due to the current state of emergency. They have indicated that they would still like to be reviewed remotely, and the ROPA review team has agreed to conduct the interviews and team meetings the week of June 9-13. This review team had an in-person training in early March and had submitted their original feedback and questions to NVU-J. All members of the original team except for Mari Miller are still participating (John Stroup, Champlain College, Team Chair; Brian Carroll, Special Educator; Lauren Conti, School Counselor; Bernie Cleland, VSBPE member; Ellen Cairns, ROPA Coordinator), and believe we have enough documentation in the Institutional Portfolio to be able to conduct a thorough review.
