Student Direct Certification Status

Schools wishing to determine Direct Certification Status must submit student information by fax to (802)-828-6433. Information may be emailed, but must be sent via secure email. To initiate the secure email process, please contact Denise Blankenship at denise.blankenship@vermont.gov.

- It is preferable that the Direct Certification Status form is used but as long as the student's name, date of birth, and grade are supplied we can accept the request.
- Make sure that there is also a contact person, phone number and fax number in case there are any questions on the students that are being requested and the information can be returned to the appropriate person.
