

FY22 ARP Homeless II Subgrantees

Following the approval of Vermont's ARP-Homeless Children and Youth State Plan, USED disbursed the remaining 75% of the ARP-HCY funds on July 27, 2021 for the purposes of identifying homeless children and youth, providing wrap-around services that address the multiple effects of the COVID-19 pandemic, and ensuring that homeless children and youth are able to attend school and participate fully in school activities.

Total ARP Homeless I allocation to LEAs: \$1,050,936

ARP Homeless II funds were distributed to LEAs via the following required formula:

- 50% in proportion to the amount that each LEA received under Title I, Part A for the most recent fiscal year; and
- 50% in proportion to the number of homeless children and youth identified by each LEA relative to all LEAs in the State, using the greater of the number of homeless children and youth in either the 2018-19 or 2019-20 school year in each LEA.

USED developed this formula to ensure funds are distributed based on the needs of LEAs, as it considers both the LEA's number of low-income students and the number of homeless children and youth. Allowing the use of the greater number of homeless children and youth in either SY18-19 or SY19-20 takes into consideration the potential for undercounting in SY19-20 due to the COVID-19 pandemic.

For those LEAs that completed an Intent to Apply form and received an allocation, an application was made available in the Grants Management System.
