

## AOE Tech Survey 2020 -2021

Annual Technology Survey - Please Complete by September 15, 2020

**Name**

First

Last

**Email**

**Phone**

**What is your Supervisory Union or District?**

**What is your title?**

**Are you the primary contact for technology-related matters at your SU/SD?**

Yes  No

## School specific data

### School Number 1

Please complete this section for each school in your Supervisory Union or School District. There is a button at the bottom of this page that allows you to add additional schools.

**What is the name of your school**

**Which option most accurately describes the one-to-one status in your school?**

**Before remote learning was put into effect, did your one-to-one program allow students to take a device home?**

Yes  No

**As a response to COVID-19, has your school sent devices home to every student?**

Yes  No

**As a response to COVID-19, are you allowing students to keep devices over the summer?**

Yes  No

Please provide an estimate percentage (%) by type of devices your School has for student use. (Please note that this question asks for percentage as opposed to whole numbers and the **percentages** need to add to 100%)

<b>Chromebook/Notebook</b>	<b>iPad/Tablet</b>	<b>Laptop (Mac &amp; Windows)</b>
<input type="text"/>	<input type="text"/>	<input type="text"/>

<b>Desktop (Mac &amp; Windows)</b>	<b>Other</b>	<b>Total</b>
<input type="text"/>	<input type="text"/>	0%

**How many devices do you have that are task or course specific (video editing/graphic design, CAD)**

**How many TOTAL devices are currently available for student use?**

*Please provide a numeric total.*

**Does your school currently have a Bring Your Own Device (BYOD) policy?**

Yes  No

## District Wide information: Internet Service Provider, WiFi, connectivity Information

The remaining questions speak to district wide information.

**Who is the primary Internet Service Provider for this school?**

*If your ISP is not on the list, please type it in this space.*

**What is the primary connection type this school uses to connect to the Internet?**

*If your connection type is not on the list, please type it in this space.*

**What is your current upload speed (as advertised by your provider)?**

**What is your current download speed (as advertised by your provider)?**

**Is your connection shared?**

Yes  No

**Does your school provide "Guest" or "Public" WiFi access?**

Yes  No

**Is there another location in the community to access free WiFi?**

Yes  No

**What is the typical cell phone coverage at the school?**

**Does your SU/SD survey students to determine their home broadband access?**

Yes  No

**Based on your survey data, what percentage of students DO NOT have broadband access at home?**

**If this information is publicly available, please provide a URL to a webpage or other resource.**

**Do you have a list of student home addresses that have no/low broadband?**

Yes  No

**Have you shared this with the Public Service Department**

Yes  No

**Please provide the list of addresses of students homes that are not connected to broadband**

*This will be used to assist the Public Service Department in providing broadband connections.*

**What capabilities are there in your district/schools for in-classroom video/audio?**

- Television broadcast feed
- Streaming video + audio via smart board
- Streaming video + audio via projector
- Technical support to navigate AV or new platform
- Limited or no capability for video + audio in classrooms

Support and Platforms

**How have/will students/families receive IT support in a remote environment?**

**Approximately what percent (%) of your IT services are currently situated in the cloud?**

**What commercial automated calling system(s), if any, do you use for communication with your community in the event of an emergency?**

- |   |  |
|---|--|
| <input type="checkbox"/> Alert Solutions  | <input type="checkbox"/> Blackboard Connect  |
| <input type="checkbox"/> Call Em All  | <input type="checkbox"/> Call Multiplier   |
| <input type="checkbox"/> Dial My Call   | <input type="checkbox"/> Five9   |
| <input type="checkbox"/> Infinite Campus  | <input type="checkbox"/> K12 Alerts  |
| <input type="checkbox"/> One Call Now   | <input type="checkbox"/> Phone Tree  |
| <input type="checkbox"/> School Dialer  | <input type="checkbox"/> School Messenger  |
| <input type="checkbox"/> We currently do not have an emergency communication tool | <input type="checkbox"/> We use a custom solution in-house, not a pre-packaged product |
| <input type="checkbox"/> Other commercial vendor (please specify                  |  |

*If multiple systems are used across SU/SD, please check all that are used*

**What technology platform does your school use for an SIS?**

**What is your schools current LMS/SMS?**

**What technology platforms are students using to develop their Personalized Learning Plans (PLP's)**

- |  |  |
|--|--|
| <input type="checkbox"/> Alpine Achievement            | <input type="checkbox"/> bulb              |
| <input type="checkbox"/> Canvas                        | <input type="checkbox"/> Classcraft        |
| <input type="checkbox"/> Dreambox Learning             | <input type="checkbox"/> Epiphany Learning |
| <input type="checkbox"/> Fuel Education/PEAK           | <input type="checkbox"/> GoEnnounce        |
| <input type="checkbox"/> Google Suite                  | <input type="checkbox"/> Knewton           |
| <input type="checkbox"/> Naviance                      | <input type="checkbox"/> Nureva Troove     |
| <input type="checkbox"/> One Note                      | <input type="checkbox"/> Powerschool       |
| <input type="checkbox"/> Project Foundry               | <input type="checkbox"/> Protean           |
| <input type="checkbox"/> SchoolHack/Lift               | <input type="checkbox"/> Summit Learning   |
| <input type="checkbox"/> None                          | <input type="checkbox"/> Other             |
| <input type="checkbox"/> Undecided/Researching Options |  |

**What support would be helpful to you/your staff in continuing to develop the connections between personalized learning and technology?**

- A common, statewide platform or platforms to support coherence across the state
- A PLP Platform Fair at which participants could preview products and interact with vendors
- An online/face-to-face/hybrid Professional Learning Community or network
- Focus groups organized by region or other means to inform/co-develop resources and technical assistance

**Do you utilize the same tool or platform for PLPs to track proficiencies in your school?**

Yes  No

**What system does your school use to track proficiencies?**

**Do your Proficiency Tracking and PLP systems integrate together?**

Yes  No

**Prior to Remote Learning/COVID-19 what percentage of students participated in online learning?**

**What provider(s) do you use?**

*If your SU/SD uses a different provider, please type it in.*

STEM / STEAM & Computer Science

**ISTE Standards**

12345

Given the adoption of the ISTE standards in 2017, how deeply is technology embedded in your school's curriculum (1 being lowest)

(((

**How has technology education been leveraged in your SU/SD to teach students how to use technology in meaningful ways?**

**What professional development or resources are needed in your SU/SD to support your education technology program(s)?**

**Regarding Computer Science and STEM activities, please check all that apply in terms of activities the SU/SD provides for students:**

- |   |   |
|---|---|
| <input type="checkbox"/> Annual Hour of Code activities | <input type="checkbox"/> Other coding activities over the course of the year            |
| <input type="checkbox"/> Robotics                       | <input type="checkbox"/> Maker Space (in the school or in the community)                |
| <input type="checkbox"/> Computer Club during school    | <input type="checkbox"/> After school Computer Club or related "club"                   |
| <input type="checkbox"/> FIRST Lego League Challenge    | <input type="checkbox"/> STEM or STEAM, (or even STREAM) courses or curricular strands? |
| <input type="checkbox"/> Tech Ed and Design offerings   | <input type="checkbox"/> Summer offerings -camp, extended learning opportunities, etc.  |
| <input type="checkbox"/> <input type="text"/>           |   |

**Does your SU/SD offer computer science courses?**

- Yes  No
