

## Child and Adult Size Face Covering Distribution to Schools: Locations

### Purpose

The AOE is moving forward with an additional distribution of cloth face coverings to support school reopening. As part of this distribution, your school will receive the following:

- Child (youth) Size and Adult Size Face Coverings for Vermont students, distributed to SU/SDs and to Independent Schools that provided the AOE with updated enrollment data.
- Adult Size Face Coverings for school staff (approx. 2 masks per staff)

### Mask Distribution Schedule and Locations

We have identified the following Agency of Transportation (AOT) facilities around Vermont as distribution locations. Your resources will be available for pickup from 8 a.m. to 3 p.m. Wednesday, October 28, 2020.

Each SU/SD or independent school has been assigned a garage facility. To the greatest extent possible, that is the closest facility to the school or district. Please check the below list to find your SU/SD or school. Please refer to the list below for garage locations in your area:
