## KN95 Mask Distribution to Schools: Dates and Locations

### Purpose

Working in partnership with Vermont Emergency Management, the AOE will provide 10 non-medical grade KN95 masks to every teacher and school staff in your SU/SD/Independent School. The masks are not fit-test capable, so they cannot be used in medical contexts or where a working N95 mask is needed, however they will be adequate for general use in place of a cloth face covering or surgical mask.

### Mask Distribution Schedule and Locations

Districts and independent schools have been asked to provide a head count and point of contact to organize mask distribution. Based on that information, we have determined the following distribution to Agency of Transportation (AOT) facilities around Vermont. Masks will be available for pickup from 9 a.m. to 3 p.m. on the following days:

- Monday, July 27, 2020: [Bennington](#) and [Colchester \(Chittenden Cohort 1\)](#)
- Tuesday, July 28, 2020: [Dummerston](#) and [St. Johnsbury](#)
- Wednesday, July 29, 2020: [Berlin](#), [Hartford](#) and [Colchester \(Chittenden Cohort 2\)](#)
- Tuesday, July 30, 2020: [St. Albans](#) and [Mendon \(Rutland\)](#)

Each SU/SD or independent school has been assigned a garage facility and a pickup day. To the greatest extent possible, that is the closest facility to the school or district. Please check the below list to find your SU/SD or school.
