Acceptance of Praxis Score Reports

All Praxis score reports must be sent directly from the testing service in electronic format.

Praxis testing scores reports must be sent directly to Agency of Education from ETS electronically or in a sealed envelope directly from ETS.

Score reports that are more than 10 years old will only be accepted if notarized and uploaded directly to the checklist. Official Praxis Score reports can be scanned and uploaded into an application by an applicant only if your score reports are older than 10 years old, and therefore not retained by the testing service.

Official Score reports include:

- The ETS or GRE logo
- Examinee information
- Number of test taken
- Date of test taken
- Test scores for specific tests
- Score recipients
- All pages (front and back)

An Examinee score report with the ETS or GRE trademark can be accepted.
