MEMORANDUM

TO: VT Council of Special Education Administrators (VCSEA)
Jim Henry, Director 204 Depot

FROM: Alicia Hanrahan, Education Programs Manager

SUBJECT: LEA Responsibilities for students residing at 204 Depot

DATE: 9/28/15

At the August State Board of Education meeting, 204 Depot, operated by SEALL Inc., in Bennington has been approved as a tutorial program.

Most recently, Southwest VT Supervisory Union has been responsible for the provision of tutorial services and has been considered to be the LEA of record for all of the boys residing at 204 Depot. Now that 204 Depot is an approved tutorial program (by the State Board), the LEA oversight is no longer with SWVT.

204 Depot is now considered to be another VT short term residential program (similar to VAIL in Bennington). Going forward, 204 Depot will be responsible for providing the tutorial services, and the LEA of residence prior to the student's placement at 204 Depot will continue to be the LEA of residence.
