(34 CFR §§ 300.211 and 300.157)

The supervisory union/school district assures that all personnel necessary to carry out Part B of the Act are appropriately and adequately prepared, subject to the requirements of 34 CFR § 300.156 (related to personnel qualifications) and section 2122 of the Elementary and Secondary Education Act (ESEA). (34 CFR § 300.207)

Assurances concerning purchase of instructional materials:

(b) Rights of supervisory union/school district.

(1) Nothing in this section shall be construed to require an LEA to coordinate with the NIMAC.

(2) If the supervisory union/school district chooses not to coordinate with the NIMAC, the supervisory union/school district provides an assurance to the Agency that it will provide instructional materials to blind persons or other persons with print disabilities in a timely manner.

(3) Nothing in this section relieves a supervisory union/school district of its responsibility to ensure that children with disabilities who need instructional materials in accessible formats, but are not included under the definition of blind or other persons with print disabilities in §300.172(e)(1)(i) or who need materials that cannot be produced from NIMAS files, receive those instructional materials in a timely manner. The supervisory union

_____ elects

_____ elects not

to exercise the provision under 34 CFR § 300.205 for fiscal year 2022-2023 concerning the adjustment of local maintenance of effort requirement. For any fiscal year in which the allocation of the IDEA-B basic grant funds for the supervisory union exceeds the allocation for the previous fiscal year, the supervisory union may reduce the level of expenditures from other funds by not more than 50 percent of the increase. If the supervisory union elects to reduce the level of expenditures as allowed above,

- the supervisory union **shall** use an amount of local funds equal to the reduction in maintenance of effort to carry out activities authorized under the Elementary and Secondary Act of 1965 as amended and
- the amount of funds so used decreases the amount of funds that the supervisory union can use for early intervening services as defined in IDEA 2004 for students grades K-12 with emphasis on grades K-3.

Limitation on the exception to the local maintenance of effort requirements: If the Vermont Agency of Education has determined that the supervisory union is not meeting the requirements of IDEA Part B, including the targets in the state’s performance plan, the SEA shall prohibit the supervisory union from reducing its maintenance of effort as allowed above for any fiscal year. Use of IDEA Part B Funds

Excess Cost Provision §300.202

In order for a supervisory union to be eligible to use IDEA-B funds, it must spend the average per pupil expenditures for its elementary and secondary special education students from State and “local” (Education Spending) funds. The supervisory union assures the amount it will spend from IDEA-B funds will be in excess of the average per pupil expenditure amount and will be used for providing special education and related services to children with disabilities. In order to make this assurance, the supervisory union has reviewed the information submitted on the “Supplement to IDEA-B Local Education Agency Plan for FY 2022” and ascertained that the supervisory union will be able to document compliance with the excess cost provision for FY 2023. The supervisory union assures it will submit the required documentation prior to the close of the grant year.

General Requirements Concerning Use of Grant Funds

The budget which is in a separate document indicates how this supervisory union proposes to use “IDEA-B Flow Through” funds for children ages 3 up to the 22nd birthday, for the period July 1, 2022 through June 30, 2023. These funds cannot be used for costs incurred prior to the date the Agency of Education receives this application in substantially approvable form. A separate budget is submitted for IDEA-B PreSchool funds for children ages 3 up to the 6th birthday. Both budgets detail how the funds will be spent and how those expenditures relate to providing special education and related services for children with disabilities or other expenditures allowed under the IDEA.

Proportionate Share Funding Requirement

For both the IDEA-B Basic and PreSchool Flow Through Grants, an amount is required to be set aside for children enrolled in private or independent schools by their parents when the school is located within the geographic boundaries of the supervisory union. The portion of the supervisory union’s IDEA-B FY 2023 Basic and PreSchool allocation that must be used for the provision of special education and related services to parentally placed students eligible for special education is calculated as the number of eligible parentally placed students to the total number of eligible students.

The amount to be budgeted for services to parentally placed students include the portion calculated above of the FY 2023 allocation and any carryover of the proportionate share funds from FY 2022 allocation. Budget items relating to use of these proportionate share funds in the FY 2023 application must indicate how the supervisory union plans to serve privately placed eligible students with disabilities on services plans.
