Racial and Ethnic Data Form Instructions

The sponsor should complete this form for each site under its sponsorship each year. In School Year 2020-2021, this form may be completed by the Site Supervisor. Sponsors of residential camps must collect this information for each camp session. For all other sites, the sponsor must count the participating children at least once during the site's operation.

The sponsor may use visual identification to determine a participant's racial and ethnic categories. If a parent/guardian picks up the meals on the child(ren)'s behalf, please document this on the form. A participant may be included in the group that he/she appears to belong, identifies with, or is regarded as a member by the community. Children must not be asked to identify their own race and ethnicity. All line items on this page must be answered numerically (no percentages). Do not use words such as "All" or "None".

In School Year 2020-2021, if sponsors are unable to effectively collect this information due to COVID-19, please note this on the form.

The sponsor must retain racial and ethnic data for three years, plus the current year, and must safeguard this information to prevent its use for discriminatory purposes. Access to program records containing racial and ethnic data should be kept confidential and limited to authorized personnel.

This institution is an equal opportunity provider.
