# The Need

- Many children receive nutritious meals during the school day. Breakfast, lunch, (FFVP, NSLP Afterschool Snack Service, CACFP At-Risk Afterschool Meals).
- In the summer they lose access to these nutritious school meals.

# Hunger in the Summer

- Hunger:
  - worsens “Summer Learning Loss” or “Summer Slide”. Hungry children cannot learn.
  - contributes to obesity
  - prevents children from playing and enjoying the summer

# Bridging the Gap

- The Summer Meals program bridges the gap between school years, providing children with nutritious and delicious meals, giving them the fuel they need to play and grow throughout the summer months and return to school ready to learn.

# Structure

- Operates on the federal fiscal year (October 1 to September 30)
- Federally-funded by the United States Department of Agriculture (USDA)
- State-administered by Vermont Agency of Education Child Nutrition Programs
- The program consists of **sponsors**, who are managerially and financially responsible for the program, and **sites**, which are the physical locations where meals are served.

# Sponsors

- Sponsors accept an agreement, “Permanent Agreement”, with Vermont Agency of Education Child Nutrition Programs.
- Sponsors can be supervisory unions/school districts, private non-profit organizations, government entities, residential camps, or other non-profit organizations.

# Sites

- Aside from delivering to households and bus stops, you must have a separate Site Application for each site where meals are served.
  - Meals delivered to households and bus stops will be claimed under the site where the meals are prepared.
- However, if you plan to stay at a bus stop for 30 minutes or more, it must be listed as a separate site.
  - Meals served at these bus stop sites will be claimed under their respective site claim each month.
- If you are delivering meals to a childcare center, you must add the center as a site and ensure they are not also planning to claim reimbursement for those meals, either under the SFSP or Child and Adult Care Food Program (CACFP).

# Serving Childcares

- If child care programs would like to walk with their children to open SFSP meal sites, they can receive grab-and-go meals
- If child care programs would like to have meals provided to their location, to be consumed there, they must be registered as a site
- If it is a child care located in a non-area eligible location, they cannot be a closed-enrolled in a non-needy area using the eligibility waiver, they can only be open or work with their specific population to establish some other type of site

# Updating Sites and Adding New Sites

- Site information can be updated throughout the summer, however must be approved in the Application Packet prior to implementation.
- New sites can be added at any time throughout the summer, however no reimbursement will be received for meals served at these sites prior to the approval of the Site Application.
- Please allow for a minimum of 3 business days prior to implementation of changes or start of new site.

# SFSP Application Packet Approval and Allowable Changes Procedure

- Please refer to the “Summer Food Service Program (SFSP) Application Packet Approval and Allowable Changes Procedure” available on program webpage
- This details the requirements for retroactively adding dates of operation

# Unanticipated School Closure Sites

- For sites not continuing through the summer, please ensure the end date is correct
- For sites that are continuing operation with a change in meal service method, please indicate the type and start date in question 43
- For sites that are continuing operation, but with a break in service, please uncheck these days in the 'Calendar' and indicate the break in question 43

# For-Profit Sites

- Must be under a non-profit sponsor
- Must be an open or restricted open site
- Site operators cannot prepare the meals
- Only sponsor staff/volunteers may distribute meals
- Refer to SFSP 13-2011 “For-Profit Locations as Meal Sites in the Summer Food Service Program”
  - <https://fns-prod.azureedge.net/sites/default/files/SFSP-13-2011.pdf>

# Waivers

# Waiver of requirement that children be present

- On May 14, 2020 the USDA extended the nationwide waiver to allow parents and guardians to pick up meals without children present or for meals to be delivered without children present until August 31, 2020

# Congregate Feeding Waiver

- On May 14, 2020 the USDA extended the nationwide waiver to allow non-congregate feeding in the Child Nutrition Programs, meaning grab-and-go or household delivery until August 31, 2020
- You may continue to have congregate feeding sites, the current state-mandated limit on gathering size is 25 people

# Information Provided with Non-Congregate Meals

- If meals are served without children present, they must include a statement indicating meals are to be consumed by children, 18 and under
- If the meals are perishable, they must include expiration dates and information about maintaining appropriate temperatures
- Informational sheets must contain the short non-discrimination statement “This institution is an equal opportunity provider.”

# Meal Service Times Waiver

- On April 21, 2020 the USDA issued the nationwide waiver of meal service time restrictions to expire August 31, 2020
- Meal services can be at any time
- Meal services can be for any length of time
- Combined with the non-congregate feeding waiver, this allows multiple meals to be served at one time, such as breakfast and lunch together, and multiple days worth of meals to be served at one time, up to 7 days worth

# Delivery

- School Food Authorities (SFAs) may deliver meals to households with written permission
- If you have already obtained permission, it does not need to be re-obtained for summer
- Non-profit sponsors may only do household delivery (with written permission) if no SFA in the area is providing this service

# Grab-and-Go

- SFA and non-SFA sponsors may offer grab-and-go meals

# Application Packet – Non-Congregate Feeding

- If you are doing non-congregate meal service, grab-and-go or delivery, indicate the method in question 43 of the Site Application.
- While Question 43 does not appear to have anything to do with non-congregate, it's being used as a way to capture this information in the Site Application.

# Application Packet – Meal Service Times

- If your programs are providing non-congregate meals and offering meals at the time, such as breakfast and lunch at the same time, you may enter that time period as your meal times for breakfast and lunch in questions B3. for breakfast and L3. for lunch in the Site Application.

# Area Eligibility Waiver

- On June 10<sup>th</sup>, 2020, the USDA issued a nationwide waiver to extend area eligibility waivers through August 31, 2020
- Open sites can be established in non-area eligible locations

# Reimbursement Rates

# Funding Structure

- SFSP is a reimbursement-based program.
- Sponsors are reimbursed at a set rate for eligible meals and snacks served to children at approved sites.
- $\text{Funding} = \# \text{ meals} \times \text{reimbursement rate}$

# SFSP Reimbursement Rates

- The reimbursement rates during unanticipated school closure operation are the same as during traditional summer operation

# 2020 Reimbursement Rates

Meal	Rural/Self-Prep, Rural/Vended, and Urban/Self-Prep	Urban/Vended
Breakfast	2.3750	2.33
Lunch/Supper	4.1525	4.0875
AM/PM Snack	.9775	.9550

# 2019 Reimbursement Rates

Meal	Rural/Self-Prep, Rural/Vended, and Urban/Self-Prep	Urban/Vended
Breakfast	2.2975	2.255
Lunch/Supper	4.0325	3.9675
AM/PM Snack	.9525	.9325

# Administrative and Operating Reimbursement

- SFSP reimbursement is broken into Administrative Reimbursement and Operating Reimbursement.
- All sites receive the same operating rates for meals, but depending on the site, the administrative reimbursement rate may be different.

# Administrative Reimbursement

- Rural/Self-Prep
  - Rural/Vended
  - Urban/Self-Prep
  - Urban/Vended
- 
- Urban/Vended is the only type of site that receives the lower-level of administrative reimbursement

# Urban vs. Rural

- Chittenden, Franklin, and Grand Isle counties are considered urban. The rest of the counties are rural.

USDA Rural Designation Map:

<https://www.fns.usda.gov/rural-designation>

# County Determination

- Indicate site county in Question 4. in the Site Application
- It is critical that this is accurate because it affects your reimbursement rate.

# Self-Preparation vs. Vended

- Self-preparation means the sponsor prepares the meals that will be served at the site(s) and does not contract with a Food Service Management Company (FSMC), caterer, or school or sponsor for the preparation of meals, even if the meals are sent to other sites for service.
- Vended means an FSMC, caterer, or school or sponsor prepares the meals, whether the meals are prepared on-site come from a central kitchen, they are considered vended.

# “Meal Service Method” for each type of meal service.

- Satellite Site – Receives meals from a (Central Kitchen)
- Self-Prep – Prepares on site and serves on site
- Vended by School Food Authority (SFA) – meals are purchased from a school
- Vended by Food Service Management Company (FSMC) – site with a FSMC contract providing meals
- Vended by another SFSP Sponsor – meals purchased from another sponsor
- It is critical that this is accurate because it affects your reimbursement rate.

# Site Types

# Types of Sites

- Open
- Closed Enrolled- Site/Area Eligible
- Closed Enrolled- Non-Site/Area Eligible
- Non-Residential Camp
- Residential Camp

# Open Sites

- All children, 18 and under, can receive a meal, no questions asked.
- The sponsor is reimbursed for meals served to all children.
- May serve up to two meals/snacks a day.
- Stigma-free, barrier-free method of meal service as it is the site that qualifies, not the individual children.
- Qualification through area eligibility:
  - School Data
  - Census Data
  - Housing Data

# School Data

- Located at or within the attendance area of a 50% or more free and reduced-price (F&R) school
- Official Free and Reduced Report with October data available on our website
  - <https://education.vermont.gov/documents/edu-nutrition-2020-free-and-reduced-eligibility-report>
- Over 50% in any subsequent month

# Attendance Area

- If a high school with less than 50 percent free or reduced-price school enrollment is located in the attendance area of a middle school that has 50 percent or more of the enrolled children eligible for free or reduced price meals, then the high school would be area eligible. If a middle school with less than 50 percent free or reduced-price school enrollment is located in the same attendance area of an elementary school that has 50 percent or more of the enrolled children eligible for free or reduced price meals, then the middle school would be area eligible. If the high school is eligible, it makes a school located in the same attendance area as the high school, area eligible.

# Attendance Area Continued

- Schools with the same grade levels in the same SFA, but not the same attendance area, cannot confer eligibility.
- Some SFAs do not have defined attendance areas and thus only data from the appropriate individual school may be used to establish eligibility.

# Census Data

Census Data, mapping tools based on annual American Community Survey data

<http://216.55.168.186/FairData/SummerFood/map.asp?command=scope&map=0>

# Housing Data

- USDA's Rural Development (RD) Housing Authorities
- Housing and Urban Development (HUD) Housing Authorities
- Local Housing Authorities

# “5-Year Rule” for Open Sites

- Open sites are eligible for 5 years
- This creates consistency and builds trust
- Studies show it takes about 3 years for a Summer Meals site to be well-established in a community
- However, as possible, update data every year, to extend the 5 year count.

# “5-Year Rule” and Closed Enrolled Sites

- This flexibility was rescinded beginning summer 2019
- Closed enrolled sites must establish eligibility every year

# Restricted Open

- Site attendance is limited for safety and security reasons.
- This should not be to stop area children from participating in the program.

# Closed Enrolled

- For a set population of children
- The sponsor is reimbursed for meals served to all the children
- Sites can be reimbursed for up to two meals/snacks.
- This cannot be to only serve for academic Summer School programs.
- Two types of Closed Enrolled Sites
  - Closed Enrolled in a Needy Area is area eligible
  - Closed Enrolled in a Non-Needy Area is when 50% or more of the specific population are eligible for free or reduced price meals

# Academic Summer School

- Programs that are operated by the school and that students are required to attend or would result in a grade on the student's transcript.
- Must be open sites or operate NSLP in the Summer

# Summer Feeding Options

- NSLP Seamless Summer Option (SSO)
  - SFAs only
- National School Lunch Program (NSLP) in the Summer
  - SFAs only

# Closed Enrolled Site/Area Eligible

- If the site is located at or in the attendance area of a 50% or more eligible school or in a census data eligible area

# Closed Enrolled Non-Site/Area Eligible

- 50% or more of children in a set program are eligible for free or reduced-price meals.
  - Provide a list of enrolled children to the Food Service director and they can tell you “yes” or “no” who is eligible
  - Collect new free and reduced price meal applications (these do not carry forward to the next school year)

# Non-Residential Camp

- This is where fewer than 50% of the children in a set program qualify for free and reduced price meals.
- Must provide activities for the children.
- Sponsors are only reimbursed for meals served to eligible children.
- Can serve up to three meals/snacks per day.

# Residential Camp

- This a residential summer camp where the kids are staying over night.
- Must provide activities for the children.
- Sponsors are only reimbursed for meals served to eligible children.
- Can serve up to three meals/snacks per day.

# Advances and SFSP State Money

# State Summer Food Service Funds

- Each year, we receive \$51,386.99 from the state to divide among returning sponsors and new sponsors.
- This amount will likely be more this year because it will include the state money that covered the household contribution of 30 cents for reduced-price breakfasts and 40 cents for reduced-price lunches during the school year.
- Allocation is based on number of meals served at non-residential camp sites in the previous summer or projected number of meals for new sponsors.
- This money can be used for start-up costs associated with beginning the program each summer.
- This money has a 3455 fund code and you receive it the same way you are paid program reimbursement.

# Advance Amounts

- For returning sponsors, the amount is based on a percentage of the prior year's claim for reimbursement from the same month.
- For new sponsors, the amount is based on the projected number of meals to be served.
- If the advance provided exceeds the claim for reimbursement, the sponsor must repay the amount.

# Advances for Operating Costs

- May request at least 30 days before the payment dates of June 1, July 15, and August 15.
- Sponsors must provide documentation that non-SFA sponsor personnel have received training prior to receiving the second month's operating advance.
- Sponsors may not receive advances for operating costs in any month where they operate less than 10 days.

# Advances for Administrative Costs

- May request at least 30 days before June 1 and July 15.
- If sponsors operate less than 10 days in June, but at least 10 days in August, the second month's advance payment will be issued on August 15.
- Sponsors that operate less than 10 days may not receive advances for administrative costs.

# Requesting an Advance

- When you have finished submitting the claim for reimbursement, the email confirmation will be sent to whoever is listed as the “Claims Contact” in the Organization Application portion of the SFSP Application Packet.

# Claim Submission Procedure

- Sponsors should have a process in place to ensure that two sets of eyes are involved in entering and submitting the Claim for Reimbursement to help prevent any underclaim or overclaim issues due to human error.
- The CNP team strongly recommends that a sponsor representative enters the information in the Site Claim Reports and provides the back-up documentation (*Monthly Consolidated Meal Count Sheet* and the *Daily Meal Count Sheets*, if applicable) to another sponsor representative. This edit check process will help to ensure that the information was entered correctly before the claim is submitted!

# Modifying and Revising

- When a claim for reimbursement has been “Accepted”, but not yet “Processed”, it can be changed by clicking “Modify”.
- When a claim for reimbursement has been “Processed”, it can be changed by clicking “Add Revision”.
- If the revision is submitted past the 60-day deadline it is considered a late claim; please refer to **Late Claims** slide.

# Serving Second Meals

- Serving seconds is an option, however you are only reimbursed for 2% of first meals served.
- Sponsors should not prepare meals with the intention of serving seconds.
- Second meals may only be served after all participating children have been served a first meal.
- But who gets a second?
- Some only do it on Fridays when leftovers will not last over the weekend.

# Reimbursement for Second Meals

- You can only be reimbursed for up to 2% of first meals served.
- This is based on the total number of first meals served by meal type each claiming period.
- The system calculates this number.

# Meal Counts

# Point of Service (POS) Meal Counts

- Point of Service (POS) meal counts must be taken at the time each child/household receives a reimbursable meal.
- Meal counts cannot be taken before the meal is served or counted up after the meal service.
- Counts based on pre-order numbers, attendance numbers, or counting trays are not allowable.

# Meal Counts for Camp Sites

- Meals must be tracked by child's name and eligibility status.
- If using an electronic Point of Service (POS) or paper roster, sites must prevent overt identification of eligibility status by ensuring that the child's status is coded or in the case of a paper roster, not on it at all.
- It is critical that we continue to maintain confidentiality and prevent overt identification of free and reduced-price status.

# Meal Counts for Open and Closed-Enrolled Sites

- Meal counts do not need to be tracked by child's name because you receive reimbursement for meals served to all children.

# Daily Meal Count Sheets

- If sites are providing multiple meals at the same time, such as breakfast and lunch, meal counts must be maintained for each meal type.
- When providing multiple days worth of meals at a time, meal counts must be maintained for each day.
- These can be done on the same sheets, if it clearly indicates which meals and days are included.
- Most sites are serving breakfast and lunch together, but must still be able to account for each meal, especially as they have different reimbursement rates.

# Monthly Consolidated Meal Count Sheets

- Sites may use an Excel document or paper sheet to record and tally meals served for the month.
- Sites may also enter their daily meal counts into their electronic POS system to generate a report showing the meals served for the month.

# Adult Meals

- Meals served to adults are not eligible for reimbursement.
- However, these meals must be tracked and reported on the Claim for Reimbursement.
- Program Adult Meals are an allowable cost.
- Non-Program Adult Meal
  - Can cover the cost with other non-federal funds
  - Can sell meals to non-program adults. Must charge enough to cover the cost of the meal.

# USDA Foods in Summer

- USDA Foods in Summer is a small amount of money
- \$5,000 split among all interested, eligible SFSP sponsors in the state
- Sponsors receive approximately 1.5 cents per meal
- It is likely to be even less in Summer 2020, as the \$5,000 is based on Summer 2019 and we anticipate more meals served this year.

# To Order USDA Foods

- If you wish to order USDA foods you must select this option in the Organization Application. Question 41. asks “Does this Sponsor wish to receive USDA Foods/Commodities? Check “Yes”.
- In order to receive USDA Foods, your Application Packet must be submitted and approved by **April 20<sup>th</sup>**.

# USDA Foods Allocation

- If you are a new, non-SFA sponsor you have to set up an account with Reinhart.
- Allocation is based on meals served in the previous summer, if you are a new sponsor, this figure is estimated.
- If your Fair Share Allocation is more than \$150, you have the option to do DOD Fresh.

# USDA Foods Options

- If is less than \$150, you can receive applesauce cups, frozen mixed berry cups, and pulled pork.
- You can choose to accept or decline your allocation.
- For “brown box” there are storage and delivery fees.
  - \$2.50 a case for storage
  - \$4.75 per case or \$75 per delivery, whichever is higher.
- Schools can combine their summer and school delivery.

# Meal Pattern

# Meal Pattern Options for School Food Authority Sponsors

- SFA sponsors may choose to follow the SFSP meal pattern or continue following the school year NSLP, SBP, and NSLP Afterschool Snack Service meal patterns.
- In the Site Application, indicate this choice in question B5 for breakfast and L5 for lunch.

# SFSP vs. SNP Meal Pattern

Notable Differences	SNP	SFSP
Milk	Plain or flavored fat-free and 1% milk  Must offer milk choice	Plain or flavored whole milk, low-fat milk, skim milk, and buttermilk  No milk choice required
Grains	Must be whole grain-rich	Whole-grain or enriched, or cereals can be fortified
Grain-Based Desserts (GBD)	Up to 2 ounces of GBD at lunch per week	Only allowed at snack and breakfast
Meat/Meat Alternate (M/MA) at Lunch	Daily serving size depends on age/grade group	Always 2 ounce m/ma equivalent at lunch/supper
Vegetable Subgroups	Required	Not required
½ Cup Fruit or Vegetable with OVS	Required	Not required

# Larger Portions for 12 through 18

- Sponsors have the option to serve more than the minimum serving sizes
- There is no maximum serving size in the SFSP Meal Pattern
- Sponsors have the option to serve CACFP adult meal pattern portion sizes
- Meals containing larger portion sizes are reimbursed the same amount as regular meals

# Smaller Portions for 6 and under

- Sponsors have the option to serve CACFP-size portions to children 6 and under
- To select this option, please add a note in the Application Packet requesting this.
- CACFP Child Meal Pattern
- [https://fns-prod.azureedge.net/sites/default/files/cacfp/CACFP\\_childmealpattern.pdf](https://fns-prod.azureedge.net/sites/default/files/cacfp/CACFP_childmealpattern.pdf)

# Meal Service Requirements

- Family style
  - only allowed at camps and closed enrolled sites
  
- Cafeteria style

# Serve or Offer vs. Serve (OVS)

- Serve
  - All meal components must be taken.
- Offer vs. Serve (OVS)
  - All meal components must be offered, but some can be declined.

# Summer 2020 Considerations

- Per the Health Guidance for Childcare Programs, Summer Programs and Afterschool Programs
  - <https://www.healthvermont.gov/sites/default/files/documents/pdf/Health-Guidance-for-Childcare-Afterschool-Summer-Programs.pdf>
- This guidance strongly discourages family style meal service
- We strongly recommend serve, rather than OVS, unless an OVS preorder system can be implemented

# Unitized Meals

- All meal components are packaged, delivered, and served as a unit. Milk may be packaged and provided separately, but must be served with the meal and only such complete meals are reimbursable.
- Sponsors contracting for meals must provide unitized meals or submit a Unitized Meal Requirement Waiver.
  - <https://education.vermont.gov/documents/SFSP-Unitized-Meal-Waiver>

# Delivery Receipts

- Vended programs which deliver meals must support the number of meals delivered with a signed delivery receipt
- Highly recommended for non-vended, satellite sites
- “Delivery Receipt for Vended and Satellited Meal Service”
- This is to support the proper amount of food was prepared and delivered as agreement in the FSMC contract or vendor agreement

# Bulk Meals

- On April 12th, USDA provided updated guidance that bulk items may be provided as long as individual meals are easily identifiable as a reimbursable meals (SP 13-2020). To accomplish this, we recommend including a menu with the items that identifies which items and quantities are to be used to make up each meal. This flexibility is available for all of the child nutrition programs operating during COVID-19.

# Bulk Meal Requirements

- Must include the required food components in the proper minimum amounts for each reimbursable meal being claimed;
- Must ensure that food items are clearly identifiable as making up reimbursable meals;
- Are strongly encouraged to provide menus with directions indicating which items are to be used for each meal and the portion sizes;
- Should consider whether households have access to refrigeration, stoves, microwaves, etc., when providing food that requires refrigeration or further preparation, such as reheating; and
- Should ensure that only minimal preparation is required and that food is not provided as ingredients for recipes that require chopping, mixing, baking, etc.

# Meal Pattern Components

- Milk
- Vegetables and/or Fruit
  - juice must be 100%
- Grains
  - whole-grain or enriched, or cereals can be fortified.
- Meat/Meat Alternate (M/MA)
  - Nuts and seeds may fulfill the whole component requirement for snack, but no more than  $\frac{1}{2}$  of the requirement for lunch/supper.

# Milk

- The serving size of milk is always 8 ounces.
- No fat-content restrictions.
- Milk be flavored or unflavored.
- Milk must be offered at breakfast, lunch, and supper. If operating OVS, children may decline the milk.
- No milk choice requirements, as is required in the school year.

# Unavailability of Milk

- Per 7 CFR 225.16(f)(6) if emergency situations prevent a sponsor from receiving a sufficient supply of milk, the State agency may approve the service of meals without milk during that time.

# Breakfast

- **Milk**- 8 ounces/1 cup
- **Vegetables and/or Fruit** -  $\frac{1}{2}$  cup
- **Grains**- 1 ounce
  - 1 ounce grain of bread is a 28 gram slice
- **Meat/Meat Alternate** is optional at breakfast
  - meat, fish, cheese: 1 ounce
  - nut butters: 1 ounce/2 tablespoons

# OVS at Breakfast

- A minimum of four required food items must be offered.
- Three must be from the required components (fruit/vegetable, milk, grain).
- The fourth may be a different item from the fruit/vegetable or grain components or a meat/meat alternate.
- Children must select three of the four required food items to have a reimbursable meal. The three items must be different.

# “Different”

Unlike the School Breakfast Program...

- A large item cannot count as two
- Two pieces of toast are not two items
- At breakfast and lunch/supper: apple juice and apples are not different

# Lunch/Supper

- **Milk-** 8 ounces/1 cup
- **Vegetables and/or Fruit:**  
3/4 cup total, 1/8 is minimum serving size
  - 1 vegetable and a different vegetable
  - 1 fruit and a different fruit
  - fruit and vegetable
- up to 1/2 of the total requirement may be met with 100% juice

# Salad

- Fruit salad only counts as 1 fruit
- Garden salad only counts as 1 vegetable

# Grains at Lunch and Supper

- Bread – 1 ounce/ 28 grams slice
- Tortillas – 1 ounce/28 grams
- Pasta or rice-  $\frac{1}{2}$  cup

# Meat/Meat Alternate at Lunch and Supper

- Meat, poultry, fish, cheese- 2 ounces
- Eggs – 1 large egg
- Nut Butters – 4 Tablespoons; this is **a lot** of nut butter, often folks will offer a cheese stick too!
- Yogurt – 8 ounces/1 cup
- Tofu does not credit in SFSP

As a reminder to schools: be careful,  
it must be 2 ounces **daily**

# OVS at Lunch/Supper

- Must offer 5 items from the 4 components
- Must select 3 components for a reimbursable meal.
- For example if the child is offered a turkey sandwich, watermelon, carrot sticks, and milk and they choose watermelon, carrot sticks, and milk, this is not a meal because watermelon and carrots sticks are from the same component.

# Snack – Two Different Components

- **Milk** – 8 ounces/1 cup
- **Vegetable and/or Fruit** –  $\frac{3}{4}$  cup
- **Grains**
  - Bread: 28 grams slice is 1 ounce
  - Cereal: 1 ounce
- **Meat/Meat Alternate**
  - Meat and cheese- 1 ounce
  - Nut butter – 2 tablespoons
  - Nuts- 1 ounce
  - Yogurt- 4 ounces/  $\frac{1}{2}$  cup

# Snack

- Snack cannot be just a milk and juice
- This is a “liquid” snack and kids need something more substantial
- No OVS at snack.

# Grain-Based Desserts (GBD)

- Defined by the 3 and 4 subscripts on the Grain Crediting Chart
  - <https://foodbuyingguide.fns.usda.gov/Content/TablesFBG/ExhibitA.pdf>
- Includes foods like pies, cookies, and cakes
- Are only allowed at snacks and breakfasts
- Not allowed at lunch and supper

# Additional Foods

- Foods that may not be served as part of the reimbursable meal are not allowable costs.
- Condiments served with a creditable food are exempt from this restriction.
- Sites wishing to serve additional foods, that do not meet SFSP meal pattern standards, must use non-Program funds.

# Chips

- Pretzels and chips made from wholegrain or enriched meal or flour can be used to meet the grain requirement.
- Chips, such as potato chips, that do not meet the meal pattern requirements cannot be purchased with SFSP funds

# Crediting

- Dried fruit and raw leafy greens credit as is.
- $\frac{1}{4}$  cup of dried fruit =  $\frac{1}{4}$  cup of fruit
- $\frac{1}{2}$  cup of raw leafy greens =  $\frac{1}{2}$  cup of vegetable

# Crediting Resources

- Food Buying Guide

<https://foodbuyingguide.fns.usda.gov/>

- Exhibit A: Grain Requirements for Child Nutrition Programs

# Meal Pattern Documentation

- Production Records are highly recommended, but not required
- Standardized recipes
- Child Nutrition (CN) labels
- Product Formulation Statements (PFS)
- Receipts and invoices

# Leftovers

- All sponsors must plan, prepare, and order meals with the objective of providing one meal per child at each meal service,
- Sponsors should regularly monitor and compare site reports on the number of attending children and the number of delivered meals to reduce waste and cost.
- Additionally, all alternatives permitted by Program regulations and State and local health and sanitation codes should be exhausted before discarding food.
- When it is not feasible to reuse leftovers or store food, FNS encourages sponsors to consider donating it to non-profit organizations working to address hunger in the community, such as homeless shelters, food banks, and food pantries. The Bill Emerson Good Samaritan Food Donation Act protects donations to non-profit organizations.

# Inventory

- Sponsors must conduct inventory of food and non-food supplies at the beginning and end of operation
  - This year the “beginning” will be as of July 1
  - It must include a list of the items and assigned values
- Sponsors with fixed-price FSMC contracts do not have to conduct inventory as such, but should manage the contract by ensuring other assets owned by the sponsor are accounted for

# Food at the End of School and End of Summer

Schools are encouraged to use food leftover from the school year in their Summer Meals Program.

Food leftover at the end of the summer may be put toward operation of school year Child Nutrition Programs or given to registered 501(c)(3) organizations, like food shelves.

# Food Safety and Sanitation

# Health Department Notification

- Notify the Health Department in writing of where you are preparing and serving meals
- This can be done in a letter or email.
- Use the template notification document, “Sample Health Department Notification Letter”
- Upload the letter in the Checklist Summary portion of the Application Packet
- But, do not send it (yet)

# Health Department Notification Waiver Request

- The State agency has submitted a waiver to the USDA to be able to submit this information on behalf of the sponsors.
- However, we have not received questions or feedback from USDA and do not have an anticipated date on when we will hear whether the waiver was approved or denied.

- [VOSHA Training](#) on COVI-19 Health and Safety Requirements

# Sanitation

- Use gloves while preparing meals and/or serving utensils, such as tongs to serve meals
- Be temperature aware.
  - Keep cold food COLD and hot food HOT.
  - Map your routes carefully. Take the temperature of food when it leaves and the temperature again when it arrives.

# Keeping it Cold

- With coolers, use enough ice packs to keep the food cold. Put food right back in coolers after meal service. Don't take everything out of the coolers until it is needed. Leave the lid closed during service.
- Clean out your coolers regularly. Think of them as any other utensil that you would wash.

# Keeping it Hot

- Just because it is hot doesn't mean it can't be a sandwich, the whole meal doesn't have to be hot.
- Use warmers, restaurant heating bags, and do not open them unnecessarily.

# Procurement

# Procurement Consultant

Michael Carr

Procurement Consultant

Michael.Carr@vermont.gov

(802)-828-2093

# Methods of Procurement

- Micro-Purchase: under \$10,000
  - spread out equitably
- Small-Purchase: under \$250,000
  - “Three Bids and a Buy”
- Formal Procurement: above \$250,000
  - Request for Proposal (RFP)

# Written Procurement Procedures

- Sponsors must have a written procurement plan on how to handle purchasing, outlining the applicable method of procurement.
- The procurement plan must include conflicts of interest and codes of conduct.

# Buy American Provision

- Not required in SFSP unless you also operate NSLP, so SFA sponsors must follow it.
- SFAs must, to the maximum extent practicable, purchase domestic commodities or products.
- This promotes the dual nature of the programs, which is to feed children healthy meals and to support American agriculture.

# Buy American Continued

- **“Domestic”** is a product produced in the United States and is processed in the United States substantially using agricultural commodities that are produced in the United States. Products from Guam, American Samoa, Virgin Islands, Puerto Rico, and the Northern Mariana Islands are allowed under this provision as US territories.
- **“Substantially”** means that over 51% of the final processed product consists of agricultural commodities that were grown domestically. The provision should be included in bid specifications to ensure compliance.

# Buy American Provision Exceptions

There are two exceptions which allow the purchase of foreign products.

- **Availability:** when the product is not produced or manufactured in the U.S. in sufficient and reasonable available quantities of a satisfactory quality.
  - Example: There are no domestic bananas available. You may continue to serve foreign bananas.
- **Cost:** the cost of a U.S. product is significantly higher than the cost of a comparable foreign product. “Significantly” is not federally defined, but it is a best practice that it be defined by the SFA within its required written procurement procedures.
- Buy American Provision Exception Sheet  
<https://education.vermont.gov/documents/BuyAmericanProvisionExceptionSheet>

# Minority Businesses

- Use the Small Business Administration and the Office of Minority Business Enterprise of the Department of Commerce as required. (7 CFR Part 225.17(d) )
- Vermont Agency of Administration: Buildings and General Services maintains a list:
  - <http://bgs.vermont.gov/facilities/forms/minority-women>
- Include these businesses on solicitation lists,
- Solicit these businesses whenever they are potential sources,
- Divide requirements into smaller tasks/quantities for maximum participation, when feasible, and
- Establish schedules to assist them with meeting deadlines

# Training

- At least one representative from the sponsoring organization must participate
- FSMC employees are welcome, but cannot count as the sponsor representative
- This annual training is being recorded to view at an alternative time.

# Sponsor Staff Training

- Sponsors must provide training for anyone involved in any program operations
- Training must include:
  - Program Overview for all employees/volunteers
  - Meal Pattern Requirements for employees/volunteers preparing meals
  - Point of Service (POS) meal counting for employees/volunteers responsible for the meal count
  - Food Safety and Sanitation for all employees/volunteers

# Sponsor Monitoring

# On-Site Monitoring Waiver

- On June 8, 2020, the USDA extended the waiver to allow sponsors to conduct monitoring off-site, through desk audits, through August 31, 2020.
- We have prepared review forms that can be used to assess program paperwork off site and will work to put those on our program webpage.
- We will provide further guidance about the nature of a desk audit in the near future.

# Required Sponsor Monitoring

- Monitoring must be conducted by a sponsor-level representative and cannot be an FSMC employee.
- Pre-operational reviews are required for new sites or returning sites that had problems in the previous summer.
- First Week Reviews are required for new sites or returning sites that had problems in the previous summer, it is waived for returning sites that operated successfully during the previous summer, by indicating the waiver request in question 37 of the Site Application.

# Site Review

- Must occur within first 4 weeks of operation for every site
- Ethnic and Racial Data Form- must be completed annually for all sites participating the summer. It is required once every session for camps.

# Administrative Reviews

# Waiver of On-Site Portion of the Review

- On June 8, 2020, the USDA extended the waiver to allow administrative reviews to be conducted off-site, as a desk audit, through August 31, 2020.
- We will provide information about the structure of the reviews in the near future.

# Selection Process

- Sponsors are reviewed every three years, however you may be reviewed again the following year if there were issues found in the previous summer.
- We are also required to review enough sponsors to account for at least one-half of the aggregate total program meal reimbursements in the State in the prior year.
- New sponsors are reviewed their first year of operation.
- Paperwork is reviewed for all sites.

# One-Half Aggregate Waiver

- The State agency submitted a request to the USDA to waive the requirement that we review a number of sponsors whose program reimbursements, in the aggregate, accounted for at least one-half of the total program meal reimbursements in the State in the prior year
- However, we have not received questions or feedback from the USDA and do not have an anticipated date on when we will hear whether the waiver was approved or denied.

# Paperwork Reviewed 1

- It must include the full non-discrimination information. If a publication does not run your press release or does not include the non-discrimination information that is fine, but there must be documentation that efforts were made to do so.
- It is also recommended that the program be promoted on program websites and social media.

# Press Release for Open Sites vs. others

- For all sites, the point of the press release is to notify the public you are receiving federal funds and with that receipt comes civil rights requirements, including the requirement to not discriminate against protected bases and the information on how to file a complaint of discrimination

# “And Justice for All” (AJFA) Poster
