

Relationships Thematic Evergreen: PBS Program and Supplemental Resources

Purpose

The purpose of this resource is to support students and teachers in using PBS programming and supplemental resources through inquiry processes of interdisciplinary learning activities. Themes were identified based on available resources, content standards, and the [Vermont Portrait of a Graduate](#). Programs and resources that align with the theme of Relationships are organized below. The resources are divided by elementary and secondary, though resources can be considered for use at any grade level. Content standards that align with available programs and resources are also included in this document.

Standards

Health & PE

Topic	Standard
Working with others	PE4 . The physically literate individual exhibits responsible personal and social behavior that respects self and others.
