Rule 2200 Independent School Program Approval

Section 2220. Statement of Purpose

The purpose of independent school approval rules is to assure effective, available, and equitable, educational opportunities that are anti-racist, culturally responsive, anti-discriminatory, and inclusive for students enrolled in Vermont's approved independent schools in accordance with State and federal law and aligned with the purposes set forth in Act 173 of 2018 and Act 1 of 2019.

These rules are organized to provide clarity to independent schools regarding requirements for initial and continued approval to operate and, and if applicable, to receive public funds. Ongoing compliance with state and federal laws and regulations is expected through annual compliance assurances. Accrediting agencies that meet criteria indicating high quality, experience, and alignment with Vermont's educational values will be recognized and the schools they accredit will enjoy an accelerated approval process.

The Board believes that any distinction, exclusion, classification, restriction or preference based on any ground, such as race, ethnicity, skin color, sex, sexual orientation, gender identification, language, religion, political or other opinion, disability, national, social or geographic origin, citizenship or immigration status, income or property, birth or other status, which has the purpose or effect of denying or impairing the recognition, enjoyment or exercise of fundamental rights and freedoms in the political, economic, social, cultural, civil or any other field should be carefully considered and rejected if it results in unlawful discrimination or interferes with the delivery of effective, available, and equitable educational opportunities. The Board recognizes that discrimination is practiced by individuals and groups, and it is expressed systemically through the structures, laws, practices, and policies of public and private institutions, employers, and organizations.

In addition to the non-discriminatory protections in Subsection 2223.2 (Nondiscrimination Requirements for Approved Schools), discrimination against any student pursuing an education or participating in the general life or activities of a school as a result of or based upon, ethnicity, caste, language and linguistic diversity, socio-economic status, religion, housing status, and non-citizenship or immigration status, does not embody the intent of the Board to promote welcoming, inclusive, bias-free environments for learning in Vermont's schools.

These rules further require all schools to strive for a culturally responsive pedagogy that critically examines and imparts a comprehensive historical and socially conscious understanding of:

- (a) the causes and effects of bias and discrimination as a result of, or based upon, the reasons set forth in Subsection 2223.2 of this Manual and in this Statement of Purpose;
- (b) why all persons should have equitable access to social and economic opportunity;
- (c) why persons and institutions must identify and prevent individual, group, and systemic racism, discrimination, and other forms of unfair treatment; and
- (d) the positive and multi-faceted contributions of different social, cultural, racial, linguistic ethnic and indigenous groups to the historical and ongoing project of building and strengthening democracy in the United States and globally.

Nothing herein shall be construed to entitle any student to educational programs or services identical to those received by other students in the same or different schools. These rules are in addition to and, unless otherwise specifically stated, do not supersede other rules adopted by the Agency of Education or contained in the Vermont State Board of Education Manual of Rules and Practices. This manual adopts a definition of Discrimination that is broader than its legal definition. Nothing herein shall create a private right of action.

Any agency seeking to be recognized by the Board under this section shall submit a letter and supporting evidence to the Board detailing the ways in which it meets each criterion. Upon review of each submission, the Board shall determine whether it will recognize the accrediting agency and set the length of time that such recognition will be in effect. The Board may impose additional conditions upon a recognized accrediting agency as it deems appropriate. Applicant agencies shall be notified of a decision and any conditions of continued recognition in writing. The Board may remove any agency from the list of recognized accrediting agencies at any time, after finding that the agency no longer meets one or more of the criterion listed below.

(c) The Board shall continue to recognize accrediting agencies listed in Rule 7320 until July 1, 2024.

4. That a student shall be accepted for enrollment in a non-discriminatory manner and consistent with the school's written enrollment policy. No student shall be denied acceptance for enrollment on the basis of the student's race, gender, color, creed,

national origin, marital status, sexual orientation, gender identity or disability, or any other reason set forth in state or federal non-discrimination requirements.

(b) Upon the student's acceptance for enrollment, the student's IEP team shall meet to determine how the student's services shall be provided. The approved independent school and the LEA shall follow the procedures in Subsection 2229.4 (Procedures for Ensuring the Provision of Special Education Services to Publicly Funded Students in Approved Independent Schools), after which the student shall be enrolled in the approved school or, upon the decision of the hearing officer in Subsection 2229.4(f), below, the IEP team shall consider an alternative enrollment for the student.

(c) When a publicly funded student seeks to attend an approved independent school after the start of the school year, upon the student's acceptance for enrollment, the student shall be provisionally enrolled consistent with the procedures in Subsection 2229.4, during which time the LEA of residence shall agree to pay tuition on the student's behalf until the procedures in 2229.4 have been completed and the student is enrolled, or until the hearing officer issues a decision pursuant to Subsection 2229.4(f), below.

(d) This Subsection, 2229.1, shall not apply to a therapeutic independent school.

2229.2. Staffing

An approved independent school is not required to demonstrate that it has the resources to serve every category of special education as defined under Board rules in order to be approved or retain its approval to receive public funding for general tuition. Therapeutic independent schools shall have the capacity to serve the needs of students they are designed to serve. The Secretary shall establish minimum standards of services for students receiving special education services in independent schools in Vermont.

2229.3. Assurances

The approved independent school shall demonstrate that it has the ability to serve all students with disabilities by:

5. Identification of students with suspected disabilities; and

(e) Committing to participate in dispute resolution as provided under federal and state law.

2229.4. Procedure for Ensuring the Provision of Special Education Services to Publicly Funded Students in Approved Independent Schools

(a) Upon the acceptance for enrollment of a student with an individualized education program in an approved independent school, the LEA of the student's residence shall convene an IEP or 504 team meeting within 30 days. When practical, the meeting shall be held prior to the start of the academic year in which the student is enrolled. The approved independent school shall designate personnel to participate in the IEP or 504 meeting. At the meeting, the team, which includes the parent, and the student where appropriate, shall determine how to ensure the provision of a free and appropriate public education in accordance with the student's IEP.

(b) The LEA and the approved independent school together with the student's IEP team shall work collaboratively to ensure the student's services are provided in accordance with State and federal law. Services shall be provided in a timely manner, beginning with the first day of the school year when possible. It is the intent of the Board that the LEA and the approved independent school will identify solutions that minimize the loss of instructional hours to the student. The Agency shall provide technical assistance to the LEA and the approved independent school upon request.

(c) For placement purposes under the IDEA, the IEP team shall ensure the IEP process reflects the student's choice of enrollment in the approved independent school, notwithstanding Subsection 2364.3(a)(2) (Placements). In this context, "placement" refers not to the specific site of the educational placement, but to the provision of special education and related services.

(d) The student's special education and related services shall be provided in the least restrictive environment.

(e) To ensure the provision of services in the student's IEP, the approved independent school and the LEA may use any or all of the methods listed below to ensure the provision of those services, including:

3. The approved independent school contracting with the LEA to provide the services; and
4. The LEA providing the services at a public school operated by the LEA or another public school.

(f) If there is a dispute between the LEA and the approved independent school over whether the student's special education services can be provided in accordance with the student's IEP at the independent school or otherwise, the LEA shall initiate a hearing before an independent hearing officer, the costs of which shall be borne equally between the LEA and the independent school, within 30 days of the impasse.

(g) If the hearing officer determines the approved independent school is unable to provide the required IEP services due to an inability to retain qualified staff, the LEA shall immediately convene an IEP meeting to consider alternatives.

1. The approved independent school shall not be subject to any disciplinary action or revocation of its approval by the Board under Subsection 2226.2 (Revocation or Suspension of Approval) due to its failure to enroll or continue to enroll the student.

Any limitation by the jurisdiction on an independent school's special education approval, such as by category of disability served, or other comparable standard, shall also apply to the school's special education approval in Vermont.

(b) Rates paid for tuition, room, and board for students receiving special education in out-of-state schools shall not exceed the allowable costs approved by the authorized body in the jurisdiction where the school is located, except in exceptional circumstances approved by the Secretary.

2229.6. Approval Procedures to Receive Public Funds

(a) Application for public funds approval shall be made at the time of application under Sections 2224 (Application and Reapplication for Approval; Approval Process). A school that has already obtained approval from the Board may at any time submit an application for public tuition approval to the Secretary.

(b) The procedures for public tuition approval shall be the same as those for approval in accordance with Section 2224 (Application and Reapplication for Approval; Approval Process). To the extent possible, these procedures shall occur simultaneously.

2229.7. Duty to Notify

After receiving approval for public tuition, an approved independent school shall notify the Secretary within a reasonable time of any significant changes to its special education program, professional staff, governance, financial capacity, or facilities. The Secretary may, upon such notification, gather additional information from the school, including by means of a site visit. As a result, the Secretary may recommend the Board change in the school's approval for public tuition purposes. The Secretary shall employ the same procedures described in Subsection 2226.2.2 (Investigation; Due Process Hearing) to recommend a change to a school's approval status. The Board shall provide a hearing on the matter in accordance with Subsection 2226.2.2 and the requirements of Sections 1230, et seq.

2229.8. Minimum Level of Service

Approved independent schools shall be deemed to offer a minimum standard of service to a child, as required by 16 V.S.A. § 2973., if those services are offered according to a written agreement with the sending responsible agency, as required by Section 2231 (Written Agreements Required).

Section 2230. Placement Prohibition

No responsible agency, as defined by Subsections 2360.3 (Child Find), or LEA shall make a special education placement in an approved independent school ineligible to receive public funds pursuant to the conditions in Section 2229 (Approval to Receive Public Tuition; Special Education Approval), unless the placement is pursuant to:

- (a) Subsection 2230.1 (Exceptional Circumstances – Approval Process);
- (b) A court order; or
- (c) A hearing officer's order.

2230.1. Exceptional Circumstances – Approval Process

Upon application by a responsible LEA, the Secretary may permit, in exceptional circumstances, a special education placement in a school that is approved pursuant to Section 2224 (Application and Reapplication for Approval; Approval Process) but that has not been approved to receive public tuition under Section 2229 (Approval to Receive Public Tuition; Special Education Approval). In instances in which the Secretary grants such approval, tuition and associated otherwise allowable costs shall be reimbursable under subchapter 2 of Chapter 101 of Title 16 of the Vermont Statutes Annotated. Any person aggrieved by the Secretary's decision may file an appeal with the Board pursuant to 16 V.S.A. § 828.

(a) Exceptional circumstances exist when:

1. After reasonable efforts, the LEA cannot locate an appropriate public or independent school approved for special education purposes pursuant to Section 2229 to serve children with the category of disability under which the child was determined to be eligible for special education; and
2. The proposed placement is deemed appropriate by the child's IEP team.

(b) The Secretary may specify conditions under which the placement is to be carried out.

Section 2231. Written Agreements Required

2231.1 Agreement as to Costs

(a) In order to obtain approval to receive public tuition, an approved school shall assure the Board that, prior to enrolling a child pursuant to Subsection 2229.1 (Enrollment: Requirements for Approved Independent Schools, Students, and LEAs), the school will enter into a written agreement with the LEA committing to the requirements set forth in Subsection 2229.3 (Assurances) and ensuring that qualified school personnel will attend planning and all IEP meetings for the student. The agreement shall outline tuition, room, board, and other costs associated with the child's attendance. For children on an IEP who are placed by a state agency or a designated community mental health agency, or any other agency defined by the Secretary, in accordance with 16 V.S.A. § 2948., the agreement shall be with the Secretary. In the instance of an emergency placement, such provisions shall be agreed upon within 30 days of the child's enrollment.

(b) The Secretary shall consult with independent schools in the state and determine maximum rates for tuition, and room and board for residential placements. These rates shall be published each year by November 30. Any amount charged by an approved school for public tuition shall not exceed the school's actual or anticipated costs of providing special education services to the student and shall not exceed the maximum rates set by the Secretary, provided that the Secretary may permit charges in excess of the maximum rates if the Secretary deems it warranted.

(c) An approved independent school that enrolls a student with an IEP pursuant to Subsection 2229.1 may bill the responsible LEA for the excess special education costs beyond those covered by general tuition. Reimbursement of the excess costs shall be based on the direct-cost rates approved by the Secretary for services actually provided to the student consistent with the Agency of Education Technical Manual for special education cost accounting.

(d) An approved independent school that enrolls a student under Subsection 2229.1 shall provide documentation to the Secretary in order to ensure that the amounts charged are reasonable in relation to special education services provided by the school.

2231.2. Agreement as to Non-Instructional Services.

In order to obtain approval to receive public tuition, an approved school shall assure the Board that, within thirty days of enrolling a child with an IEP, the school will enter into a written agreement with the sending LEA or other responsible agency as to the division of responsibility for performance of non- instructional services, including compliance with special education procedural requirements. For children placed by a state agency or a designated community mental health agency, or another agency defined by the Secretary, this agreement shall be with the LEA that has educational planning responsibility for the child.

Section 2232. Rate Approval for Therapeutic Approved Independent Schools.

(a) The Secretary shall set, after consultation with independent schools, the maximum tuition rate to be paid by the Agency and supervisory unions or school districts to therapeutic independent schools. The rate for each therapeutic independent school shall be no more than the costs that are reasonably related to the level of services provided by the school.

(b) If a therapeutic independent school does not submit an application for rate approval by November 15, the most recent approved rate will be in effect for the following school year. The Secretary may review an approved rate at any time. An approved rate may be reviewed at any time on request of the school based on extraordinary circumstances. Therapeutic schools will supply information as requested by the Secretary.

(c) A therapeutic school's most recently approved rate shall be adjusted annually by the Secretary according to the National Income and Product Accounts (NIPA) Implicit Price Deflator for State and Local Government Consumption Expenditures and Gross Investment as reported by the U.S. Department of Commerce, Bureau of Economic Analysis. The Secretary shall announce the inflation rate to allow for sufficient time for submission of an application for approval of a new rate under subsection (d) in the event the therapeutic school determines such an application is needed. The annually-inflated rate shall become the most recently approved rate.

(d) A therapeutic school requesting a new rate shall submit an application for approval of a new rate to the Secretary by November 15 for tuition, related services, room, and board based upon the actual or anticipated costs that are reasonably related to providing educational services. Schools that also receive rates from the Agency of Human Services shall submit an application for approval of a new rate to the Secretary by May 1. Reported costs shall be only those that are net of other available restricted revenue sources. To demonstrate that the rate requested by the therapeutic school meets this standard, the therapeutic school shall submit to the Secretary the following:

1. Costs for each of the following categories, reported at the general ledger account description level, submitted in accordance with the Generally Accepted Accounting Principles published by the Financial Accounting Standards Board:

(A) Salaries for all employees and full-time equivalents, as applicable,

2. The school's proposed operational capacity, which shall be supported by a narrative that describes how the proposal reflects relevant circumstances including three-year historic enrollment, student acuity or changes in student acuity, availability of faculty and staff, physical space, anticipated demand for placements or change in anticipated demand for placements, and other considerations.

(e) A therapeutic school submitting an application for rate approval for the first time may submit the application at any time pursuant to this subsection.

(f) If the Secretary determines an application for new rate approval submitted under subsection (d) is incomplete, then the therapeutic school shall have 10 working days to complete the application following notice that its application is incomplete.

(g) The Secretary shall evaluate each element of the application for new rate approval submitted pursuant to subsection (d) and determine whether the school has demonstrated that the cost associated with each element is reasonably related to the level of services provided by the school. (i) The Secretary shall notify a therapeutic school that has submitted an application for new rate approval pursuant to subsection (d) of the final rate approval by January 15.

The LEA shall provide notice of its decision to the Secretary within 5 days.

(k) A therapeutic school that is not satisfied with the final rate may request reconsideration by the Secretary.
