Subject: FW: Renewal of Tutorial Approval for Mountainside House

Good morning!

Is there any way you can response to this report before tomorrow at noon? We would like to get the recommendation for renewal on the SBE's Subcommittee and full board meeting this month.

Thanks for your attention to this matter.

Take care

Pat

Hello,

The draft State Board of Education report is attached. By State Board rule, you have 30 days to review the report for accuracy purpose. If, however, you can review the report and send your response via email very soon—perhaps by Thursday, September 8—we are in hopes of getting the tutorial's renewal request on the full State Board's September 28 agenda. If this isn't possible, please let me know and we will need to consider the request for renewal at the Board's meeting in October. Please do not make corrections to the actual draft report, just provide a list of any changes needed for accuracy purposes.

The new independent school/program process requires the draft reports to go to a State Board Subcommittee. At their meeting, they will want to speak to you briefly about the report and perhaps ask questions regarding your tutorial; therefore, you will need to be available for a short time on the day/time they are meeting. Generally, it takes about 10 minutes or so.

The full State Board of Education meeting is scheduled for September 28, 2022. The Subcommittee of the State Board will introduce your tutorial to the full Board at this meeting. Again, you will need to be available to speak to the full Board if they have questions.

You will be notified in advance about how to remotely connect to both the Subcommittee and full State Board meetings.

Looking forward to hearing from you regarding this matter.

Take care

Pat
