Jacqui: End of June OSEP determination for VT report came out. VT needs assistance in year 2. Do a 101 with panel in September around navigating the VT agency of education webpage. A document that has many

stakeholders involved over the last 4 years has released a document to the field: Evaluations for Specific Learning Disability, AOE talked about adding All disability categories to it, and it being an IEP guide for the field.

Crista: Asked about having a Monthly nugget link in agendas moving forward, to give the panel insight on current updates on AOE news.

Katie: Plain Language, Robert Rules, will update on membership in sept. . We need Higher Education panel members. Crista willing to switch. Will put training of Open meeting law in October.

Sandra: Ask about whether Christine Curtis has filled out an application yet?

Dawn: Darcy Oakes might be interested in Higher Ed opening on the panel. Asked about the policy and procedure manual being the only document that the AOE released.

Molly: Asked to follow up question about Mock case study that Katie suggested the panel do. Several states councils have done them NJ, MA, and VA.
