6:25-6:30 Adjourn

Discussion of Indicator 1:

- Discussed how the data indicates the graduation rate is increasing each year.
- Discussed how it would be helpful to have more data regarding why students do not graduate.

Listing ideas to bring back to full SEAC panel in June:

- Keep target at 86% and increase to 87% in 6 years.
- Question whether the State can gather information about students who aren't graduating. Are there trends?

Discussion on Indicator 2:

- Discussed how as a state we tend to be over the 3.25 target goal of students dropping out.
- Discussed how it would be helpful to have more data regarding why students drop out.

Listing ideas to bring back to full SEAC panel in June:

- Keep the target at 3.25 and decrease to 3.00 in 6 years.
- Gather information regarding who is dropping out, what disabilities. Possible file review of students dropping out.

Discussion and answers on Indicators 14, 15, 16, 5, 6, 8:

- Reviewed each indicator and indicated the following questions:

1. Should the target go up or down?
2. Should the target move to a range?

3. What work we recommend accompanying a change to the indicator to see actual results.
4. How will seeing a change to these SPP/APR results impact students with disabilities?
