March 21, 2017

Alignment with Gov. Scott

State Plan

Governor

- Equity
- Alignment,
Practicality

Alignment with Gov. Scott

State Plan	Governor
<ul style="list-style-type: none">• Equity• Alignment, Practicality	<ul style="list-style-type: none">• Supporting Most Vulnerable• Affordability• Grow VT's economy

Public Comment Outcomes

- No major revisions for content
 - Concerns often reflected concepts that were present but that could have been clarified, or arguments already taken into consideration

Public Comment Outcomes

- No major revisions for content
 - Concerns often reflected concepts that were present but that could have been clarified, or arguments already taken into consideration
- Some revisions will be made for clarity
- Will inform communication and messaging

Public Comment Outcomes

- No major revisions for content
 - Concerns often reflected concepts that were present but that could have been clarified, or arguments already taken into consideration
- Some revisions will be made for clarity
- Will inform communication and messaging
- ~2000 participants in the development process
 - Public input will be well represented in final plan
