Hi Joanna,

Good to hear from you. Yes, we do have adequate capacity.

Reach out if I can help with anything else.

Best,  
Peter

Hi Peter,  
I hope you had a great weekend.

At one point during our zoom conversation on March 12, you mentioned that it was safe to say MUMS and MUHS had capacity for matriculating Ripton students. As we finalize our response to John Carroll's letter, I just want to be sure we are doing due diligence to "confirm capacity" beyond that informal exchange a month ago.

I plan on responding to John saying that MUMS and MUHS have adequate capacity to enroll Ripton students on a tuition basis in each grade that MUMS and MUHS operates. Are you able to validate that statement? I chose not to reach out to the principals associated with those schools, but if you think I should, let me know.

Thanks for your time,  
Joanna
