Re: Request to change vote date

It has come to the attention of the Act 46 Study Committees that the Wilmington Town Clerk will not be available for the vote on Tuesday, May 23rd, as stipulated in the Articles of Agreement for both the Twin Valley Unified Union and the Southern Valley Unified Union. Everyone believes it is important for this person to be present to have a successful voting process.

The members of both Act 46 Study Committees request the date for the election be changed to Wednesday May 31, 2017. We are asking that the Articles of Agreement be amended before the Vermont State Board of Education acts on these reports.

We also ask that this letter become an amendment to the existing Articles. Thank you.
