

Lincoln School District
FY24 Staffing Update to the SBE
May 17, 2023

As requested, attached please find a list of the FY24 Lincoln School District staff for whom licensure is required. Individuals who will fulfill more than one position are listed on separate but adjacent rows, by position. The title of each position is self-explanatory in terms of the duties that will be assumed.

Below is the link to the AOE database of Vermont Educators where the licensure information for each individual can be found. Cutting and pasting a screenshot of this information for the report did not seem a worthwhile effort given it is the individuals whose licensure is not yet finalized which is of interest to the SBE.

<https://alis.edlicensing.vermont.gov/Protected/ADM/EducatorSearchMember.aspx?TotalParameters=5&LikePopup=N&URL=Protected%2fLIC%2fDOE%2fEducatorView.aspx>

The two staff who do not yet appear yet in the database with licensure for their respective roles are:

- 1) Madelyn Crudo-Burke, Superintendent. Ms. Crudo-Burke's Madelyn's application for a Retired Educators' License endorsed for Superintendent, is awaiting one final document before approval, which should happen within the next week. Attached is additional information on Ms. Crudo-Burke's experience.
- 2) Elizabeth Maher, Special Services Director – Ms. Maher is currently enrolled in the Special Education Leadership Program at UVM and will have completed 9 credits by the end of the summer. She is also currently being trained and mentored for the position by the Acting Superintendent who is a licensed Director of Special Education in NH. Prior to the beginning of the school year, the Superintendent will submit an application for Elizabeth to receive a provisional license while she completes an additional six credits during the school year.
- 3) Dan VanNosdeln – while no license is required for the Apprentice Principal position, Mr. VanNosdeln will have completed twelve credits in the UVM Education Leadership Program by the end of the summer and is enrolling the Upper Valley Education Institute Principal Certification program in the fall.

Please let us know should you have additional question.
