Good morning, Jennifer, thank you so much for your time on Friday. As requested I am including Tammy Kolbe in this message. I am attaching more information; please note the following:

- As proposed, the resolution that created a Task Force was amended at the Annual Membership Meeting in October, and it was approved by the membership.
- Attached is the original proposal, which includes the whereas language. The approved resolution addressing the Task Force is I.O.
  - **O. COLLABORATION TO BENEFIT ALL STUDENTS [2023] \***  
That VSBA convene a task force to assess concerns regarding and failures of the State Board of Education and/or the Agency of Education, and thereafter provide to the Governor and the legislature no later than January 2025 a list of recommended actions they should take in order to provide appropriate support toward the education of Vermont's students. This task force may include support from groups such as the Vermont Superintendents Association, the Vermont Principals Association, the Vermont Council of Special Education Administrators, and the Vermont Business Managers Association.

Please let me know if you have any questions. We look forward to continued partnership~  
Sandra & Clare
