ITEMS FOR DISCUSSION: Placeholder for Sunset Endorsements

BACKGROUND:

In 2014, the Vermont Standards Board for Professional Educators (VSBPE) sunset an endorsement (Supervisor – 75) while allowing educators to renew, reinstate, or apply for a Retired Educator License with the sunset endorsement. Once sunset, the endorsement was no longer included in the *Rules Governing the Licensing of Educators and the Preparation of Educational Professionals*.

Discussion:

The VSBPE has determined that there should be a placeholder for sunset endorsements for educators and for historical purposes.

Should this placeholder be:

- Policy Manual?
- Rules?
- Other?
