Rule Change recommendations for consideration by the VSBPE PAC

May 2, 2017

Updated June 6, 2017

Discussion: The following recommendations for Rule Change are proposed to update Licensing Rules to include the addition of Act 77 (Flexible Pathways) and Act 200 (Education Quality Standards).

Staff Available: Linda McSweeney

Proposed Changes

NOTE: Underlined text indicates proposed language to be added.

5911.2 An individual Level I Licensure Portfolio using the Vermont Licensure Portfolio (VLP) template shall be maintained by each candidate seeking initial licensure and shall contain appropriate and sufficient documentation of the individual's competence.

5921.1 Consistency with licensing rules, current Vermont education rules and statute (for example, Act 77 initiatives and Education Quality Standards), the Core Teaching and Leadership Standards for Vermont Educators, requirements for endorsements, and the program approval granted by the Standards Board;

5922.4 Provider ensures that programs and candidates have the resources to meet current Vermont education rules and statute (for example, Act 77 initiatives and Education Quality Standards), Vermont's Core Teaching and Leadership Standards for Vermont Educators as well as the endorsement requirements.

5923.1 Provider ensures that candidates have the necessary content and pedagogical knowledge as detailed in Vermont's Core Leader Standards, current Vermont education rules and statue (for example, Act 77 initiatives and Education Quality Standards).

5923.4 Provider ensures that programs and candidates have the resources to meet current Vermont education rules and statute (for example, Act 77 initiatives and Education Quality Standards), Vermont's Core Leadership Standards as well as the endorsement requirements.

5934.2 Conduct both off-site and on-site evaluation that includes review of the Institutional Portfolio and individual Level I Teaching Licensure Portfolios using the Vermont Licensure Portfolio (VLP) template.
