Subject: Lincoln as another town in our Supervisory Union

Dear MS Samuelson and members of the Vt State Board of Education,

It has come to my attention that the Lincoln School District has asked to join the White River Valley Supervisory Union. This is the SU my hometown of Strafford is in. I am writing this letter to voice my opposition to this merger. My reasons are the following. (add your reasons here)

We are very happy with how our Supervisory Union is currently operating and I have seen the hard work individuals have put in to make it the SU it is today.

Thank you for considering my concerns.

Sincerely,
Kate Cassidy
