## The Vermont Kindergarten Conference

**Wonder and Joy:**  
**Sparkling Playful Pathways to Learning**  
**Wednesday, March 26, 2025**  
Doubletree by Hilton, South Burlington

The Vermont Kindergarten Conference is designed for early childhood educators, principals, and curriculum directors to celebrate the brilliance within all children, explore ways to create engaging environments for young learners, and foster collaboration among early educators.

This year, our keynote speaker is Christine Hertz Hausman, an educator, author, and professional learning facilitator. Her keynote, *The Powerful Role of Playful Literacy*, will highlight examples of how teachers can foster emergent literacy and language skills as they deepen children's play and empower them with the tools they need to express their unique voices, connect with their communities, and share their diverse and multiple literacies.

**Information about workshops will be available soon!**

Registration will open in early February.

Conference Registration Fees:  
\$175 (Educators) \$80 (Students)
